It is mutually agreed that in consideration of the \$29.00, non-refundable, per loan fee, my monthly loan payment will be deferred as stated above and extended to the end of the original term of this loan. I understand that finance charges will continue to accrue and all other terms and provisions of the original loan agreement are unchanged and remain in full force and effect. I understand this program is subject to approval and member must be in good standing. Member in good standing is defined by the credit union. **I also understand this will not stop any ACH transfer I have set up with Pioneer WV FCU (or other institution) for the purpose of making my loan payment(s) at Pioneer WV FCU. The transfer will still take place from my other institution and the funds will be deposited into my account at Pioneer WV FCU.** Offer does not apply to mortgage or VISA® products. **I understand that \$10 will be added to the fee if funds are not available at time of processing the request, I have to be contacted by the credit union for further information or a loan adjustment has to be made after my due date has passed.** By participating in the Skip-A-Pay program, I may have a balance owed in connection with a GAP insurance claim due to the extension of the contract maturity date.
